

# SUMMER

## Your self love checklist

**Check** Now is a great time to schedule a health and wellness check. Ask your health provider what screenings you might need.

**Vaccinate** The COVID-19 vaccine is the best way to prevent COVID-19, at no cost to you. Make sure you're up to date on your routine vaccinations, too.

**Talk** Want to talk? Call/text Washington Listens at 1-833-681-0211 for free, anonymous support. Hours: M-F 9AM-9PM, weekends 9AM-6PM. Language assistance is available.

**Test** Care for your sexual health by scheduling a confidential, non-judgmental test for HIV/STDs and Hepatitis C.

**Get condoms** Condoms are easy to get, easy to use, and free near you.

**Keep up** If you're living with HIV, consistent treatment keeps your viral load undetectable. Undetectable = Untransmittable (U = U). Learn more: [iamnotatrisk.org](http://iamnotatrisk.org).

**Ask** PrEP is a daily pill that can keep you HIV-negative. Ask a health provider if PrEP is right for you.

**Agree** Consent should be clear, ongoing, and voluntary.
